Aleesah Darlison conducts fun and interactive **STORYTIME & CRAFT** Sessions for preschools and daycare centres.

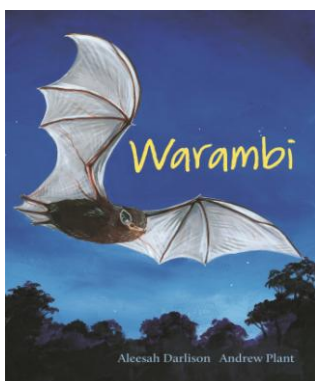

She teaches children about the animals from her picture books, *Puggle's Problem* and *Warambi*. She reads her books, using toys, puppets and loads of crowd involvement to bring her stories to life. The session then finishes with a fun colouring-in/craft activity. For ages 2 - 5 years. Timing: 45min – 1 hour.

Celebrate our wonderful array of native animals and 2011 Year of the Bat as declared by the UN Environmental Programme by booking Aleesah TODAY!

Here's a fun idea: Invite parents in for a morning tea or afternoon tea session and have children come dressed up as their favourite animal or bring in an animal toy.

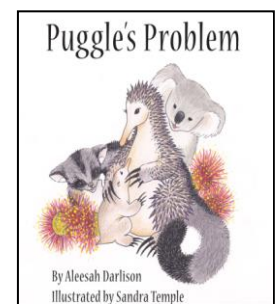

A puggle is a baby echidna and they're born without their spines.

SPECIAL OFFER!

With every booking, your centre will receive a **FREE** signed copy of *Puggle's Problem* or *Warambi*.
