

As part of the Totally Twins series, author Aleesah Darlison and illustrator Serena Geddes have created this Boy's Own Private Notebook sampler.

Inside, you'll find out how you can create and draw your own cool, kooky characters and mixed-up animals. Plus, there's plenty of space for you to start your very own Private Notebook. So, go on, look inside... if you dare!

# **My Private Notebook**

Now you can create your own Private Notebook of Kooky Characters over the next few pages! Make sure you include the following things for each entry:

The day and date.

Where you are when writing your entry.

A drawing or photo.

What inspired your Kooky Character.

And remember, have fun and enjoy creating!
