Picture Book Release - February

Windy Hollow Books are delighted to announce the release date of a new picture book

### Bearly There

Bearly There had been Blake's teddy forever. Which is why he was barely there. But when a naughty new teddy arrives on the scene, Bearly's world changes forever. Bearly There is an exquisitely humorous story about a boy and his bears, about new friends and old, about love and loyalty.

Written by Aleesah Darlison
